Describe the condition of the house and living area. (please include photographs)

Their possessions include 3 knapsacks and 4 chairs. Their “lean to” house has a kitchen area but there are no rooms. They have arranged the plastic walls so that they have a big patio. The roof, being plastic, leaks when it rains and the floor becomes mud. The entire family sleeps on the floor each night. They have no beds. They have no plumbing or electricity. The mother cooks outside on an adobe stove that uses sticks for fuel. They must light a fire on the dirt floor to stay warm at night. This fills the “tent” with smoke making it difficult to breath. They have to bring water from a nearby stream and bathe and clean as privately as possible.
