She washes and iron clothes. She probably makes about \$10 weekly at best.

Describe the specific living conditions of the child in detail. List the child's material possessions.

He has a few old clothes, two pairs of shoes, one for the school and the other one for playing. He lives in a house made of adobe, and he sleeps with his 11 year old brother in a single bed with a mattress. They have one bathroom.

Describe the condition of the house and living area. (please include photographs)

The house is made of adobe with a tin ceiling and the floor is made of cement. The house has one room divided in two, which measure 14x12ft. One mud stove, two beds, one is a single bed, and the other one is a twin-sized bed. They have electrical light and drinking water.

The cooking is done on the adobe mud stove inside the house which causes the house to fill with smoke and turns the ceiling black with soot. Though they do have a decent house to live in compared to many others, they are extremely poor because the father is in prison and there are no older sons who can provide for the family.
