Attention Director:

It is necessary to attach the following types of photographs with this application. Without a completed application and the required photographs, we cannot get sponsorship for the child.

1. Attach one photograph of the child. Please be sure that the photograph shows the complete appearance of the child and not just the face. Have the child wearing the typical clothing that he or she owns. Please make no attempt “dress up” or “dress down” the child. We want the sponsor to see the true and typical situation of the child.

*(if applicable ...)*

2. If the child is placed in a house (instead of an orphanage) attach one photograph of the child with their placement family. Also include a photograph of the house from the outside and the kitchen area, etc.
3. Attach one photograph of the child’s personal area, including their bed or sleeping mat.

*(if applicable ...)*

4. If the child under your care is in an orphanage, please be sure that we have photographs of the orphanage on file. (kitchen, sleeping areas, play area, school area, building exterior, etc.)
5. **Attach at least 1 form of national identity for the child, for example, birth certificate, passport etc. If this is NOT POSSIBLE, then please contact us and let us know why.**

Remember that you will use the information to write a short biography about the child. The more detailed information we have, the better. Once the child has been approved and a sponsor has been located for them, funds will be sent monthly. If the child’s report has not arrived at our office at the time of each mailing, their financial support will be suspended, until we receive their letter or report. We must receive the bi-monthly reports in order to be accountable to the donors.

Please pray with us daily that God will equip us to find sponsors for the many orphaned, abandoned and destitute children around the world.
