His parents were both agricultural laborers plus her dad was a drunkard, who abused them and illtreated his mother by beating her and would not bring his wages home.

So at the age of five Manju would accompany his mother to work in the farm, plus go to school three days in a week but he is unable to concentrate on his studies because of the sufferings his parents go through, which is part of his too. His performance went down so badly that the school teachers had to summon our Preacher "Yeshwant" supported by FFF whose church Manju belongs and told him that at least he should take care of him.

From then on evenings tutitions are being conducted where Yeshwant teaches the kids to do their home work and encourage the kids to study hard. As such Manju is now being taken care of our preacher but regular support is needed to keep Vidya from going to work and lose his future. His parents are leading a Christian life but feel bad that converted christians are not treated well in the society. If only TAL sponsors him it will be a great blessings.
